A MESSAGE FROM THE MANAGING DIRECTOR

...

D.K. GUPTA

Managing director

Dear Friends and Stakeholders of the Indian Institute of Medical Science and Indian Hospital,
It is with great pleasure that I introduce this prospectus, a reflection of our institution's commitment to excellence in nursing and pharmaceutical education.

Since our establishment in 2013, we have committed ourselves to providing job-oriented professional courses in Nursing and Pharmacy. Today, we stand as a beacon of excellence in education, affiliated with Abdul Kalam Technical University and approved by the Government of Uttar Pradesh.

This prospectus is a testament to our journey, our values, and our aspirations. We aim not only to deliver quality education but also to foster research and provide a platform for the overall development of highly competent nursing and pharmacy professionals. Our dedication extends beyond the classroom, reaching into the communities we serve through various outreach programs.

I extend my gratitude to the dedicated faculty and staff who have contributed to our growth and success. Together, we aim to present a comprehensive overview of our institution, emphasizing the academic prowess, ethical practices, and global perspective that define us.

As you peruse these pages, I invite you to join us in celebrating the accomplishments of our students, faculty, and the broader community we serve. Thank you for being a part of our journey toward excellence.

“
DO THINGS AT YOUR OWN PACE. LIFE'S NOT A RACE.

A MESSAGE FROM THE PRESIDENT

IIMS

•••

ANAMIKA GUPTA

President

Dear Members of the Indian Institute of Medical Science and Hospital Community,
As we proudly present this prospectus for the Indian Institute of Medical Science and Hospital, it is my pleasure to extend a warm welcome to all current and prospective students, faculty, and stakeholders.

Since our establishment in 2013, we have committed ourselves to providing job-oriented professional courses in Nursing and Pharmacy. Today, we stand as a beacon of excellence in education, affiliated with Abdul Kalam Technical University and approved by the Government of Uttar Pradesh.

The pharmacy profession demands adherence to strict ethical practices, and our goal is to impart high-quality, value-based education with an international focus. As we grow, our vision is to become a global leader in Nursing and Pharmaceutical Sciences.

This prospectus is a testament to our journey, our values, and our aspirations. We aim not only to deliver quality education but also to foster research and provide a platform for the overall development of highly competent nursing and pharmacy professionals. Our dedication extends beyond the classroom, reaching into the communities we serve through various outreach programs.

I encourage you to explore the pages within and discover the story of the Indian Institute of Medical Science and Hospital. Your journey toward a rewarding career in healthcare begins here.

About Us

Established in 2013, the Indian Institute of Medical Science and Hospital is committed to providing job-oriented professional courses in Nursing and Pharmacy. Our programs include Bachelor in Nursing (BSc Nursing), Auxiliary Nursing Midwifery (ANM), General Nursing and Midwifery (GNM), Diploma in Pharmacy (D.Pharma), and Bachelor in Pharmacy (B.Pharma).

Affiliation and Approval

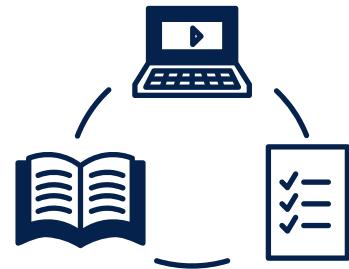

Affiliated with Abdul Kalam Technical University and approved by the Government of Uttar Pradesh, we ensure that our students receive a quality education in a conducive academic environment.

Our Infrastructure:

Equipped with state-of-the-art facilities, our college provides a clean and comfortable setting for academic learning. We are dedicated to fostering an atmosphere that promotes high-quality education.

Our mission extends beyond education to include research and the holistic development of nursing and pharmacy professionals.

We are committed to maintaining exemplary nursing and pharmacy practices and engaging in community outreach programs to address societal needs.

Mission and Vision:

Ethical Focus:

In the nursing and pharmacy profession, strict adherence to ethical practices is paramount. Our goal is to deliver value-based education with an international focus while upholding the highest standards of professionalism, integrity, and ethics.

Faculty Excellence:

Our faculty, comprised of experts in nursing and pharmacy, is dedicated to the total commitment of student development. We bring together the best minds to ensure the success of our students.

Amenities:

Situated in an ideal location, our institute and hostel provide a conducive atmosphere for academic pursuits. We offer a host of amenities to support our students in their educational journey.

Future Excellence:

Working towards becoming a center of excellence in pharmaceutical education and research, our institute aspires to be a global leader in the field of Nursing and Pharmaceutical Sciences.

VALUES IN OUR TEACHING METHOD

- 1.Excellence: We push for academic excellence, inspiring students to surpass expectations and strive for continuous improvement.
- 2.Compassion: Our educators prioritize understanding individual needs, creating a supportive and empathetic environment that values each student.
- 3.Innovation: Embracing modern approaches, we make learning dynamic and exciting, incorporating innovative teaching strategies to engage students.
- 4.Integrity: Integrity is fundamental to our teaching philosophy, emphasizing honesty, transparency, and ethical conduct in academic pursuits and beyond.
- 5.Inclusivity: We celebrate diversity, fostering an inclusive environment where every student feels valued, respected, and has an equal opportunity to thrive.
- 6.Lifelong Learning: We instill a passion for lifelong learning, nurturing curiosity, critical thinking, and a love for acquiring knowledge beyond the classroom.

At IIMS, our teaching methods are infused with a set of core values that go beyond imparting knowledge. We believe in cultivating an educational environment that not only fosters academic excellence but also instills values crucial for personal and professional growth.
